

INTERNET ACCESS POLICY

PERU FREE LIBRARY

Providing access to the Internet reflects the Peru Free Library's commitment to providing information to members of our community. We do **NOT** filter Internet access, we have no control over the information accessed through the Internet, and we cannot be held responsible for its content.

AS WITH ALL LIBRARY MATERIALS, RESTRICTION OF A CHILD'S ACCESS TO MATERIALS FOUND ON THE INTERNET IS THE RESPONSIBILITY OF THE PARENT/LEGAL GUARDIAN, NOT THE LIBRARY OR ITS STAFF.

IMPORTANT:

- Criminal use of computers is strictly prohibited.
- Viewing of obscene or pornographic material is prohibited.
- Copyright and licensing laws must be obeyed.

It is at the discretion of the library staff to determine whether an internet access computer is being misused. If an incident of misuse is so determined, the library staff may suspend the computer privileges of the offending user.
